MICRO-WEDDINGS

Just the two of you, and your nearest and dearest. Honour those closest to you, let them know they are your cherished people, your forever family.

YOUR COMMITMENT

Share your intimate commitment to one another with your close few in one of our stunning ceremony locations at Leaves & Fishes and make it your own.

Your wedding may be petite but it can be as magnificent as you are so we have a stylist on call should you need assistance with the detail.

MICRO-WEDDINGS

All Micro-weddings at Leaves and Fishes include two nights exclusive use of the Leaves & Fishes Villa and Boathouses sleeping up to 12.

Celebrate and indulge in your rainforest and lakeside surroundings at your own pace with the ones you love most. All rooms are set over the tranquil waters of the lotus lake, which is due to fill with flowers and lush greenery between November 2023 and March 2024. Watch the resident water hens and ducks explore the waters or help feed the Koi Fish who swim peacefully below your private deck.

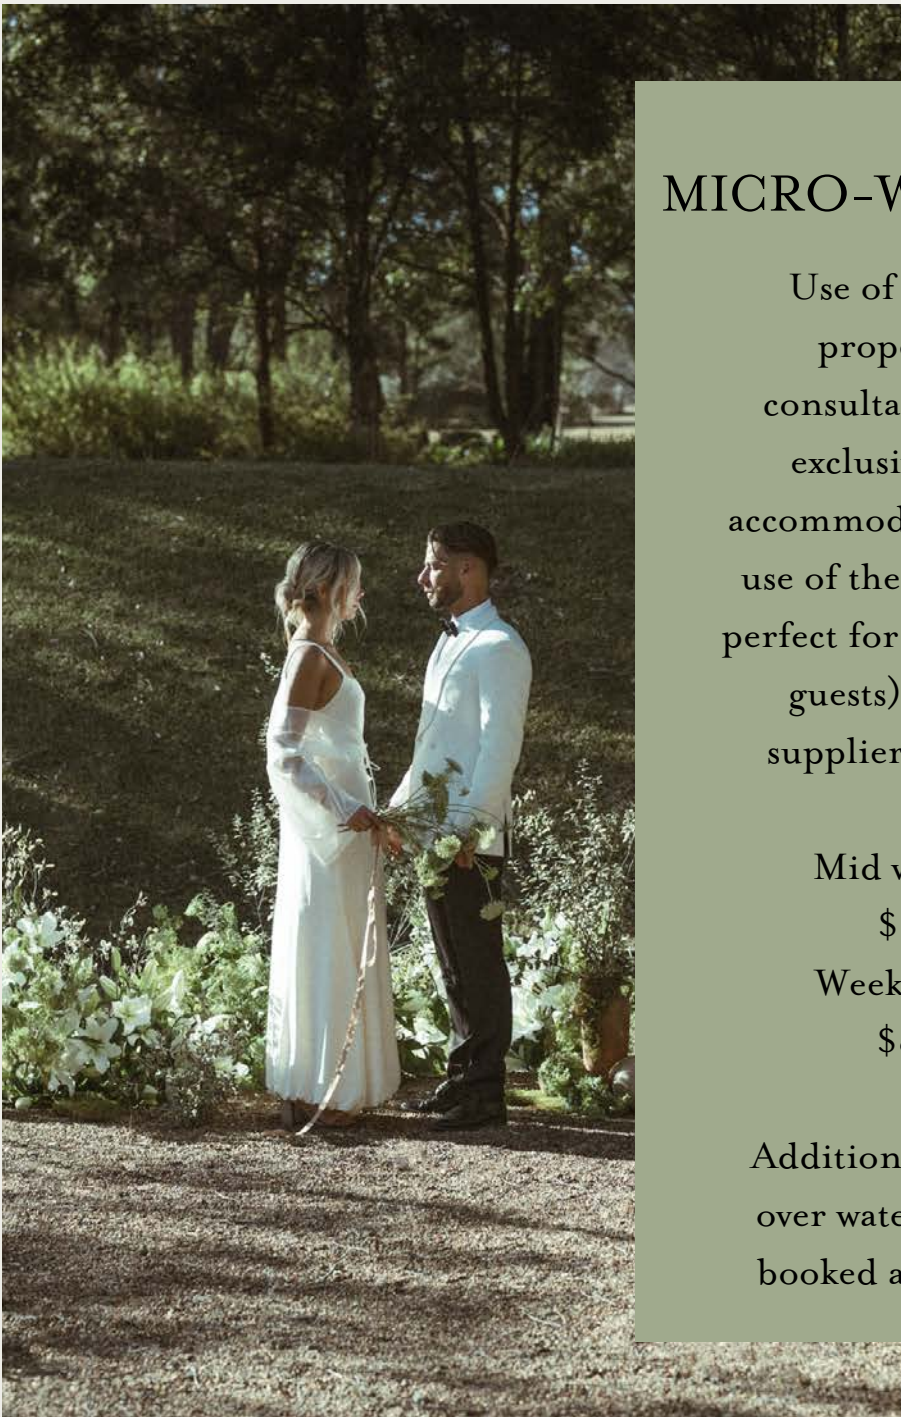

THE VILLA

The Villa provides the perfect space for your intimate celebration. Make yourself at home and relax with special guests (up to 20) in the large open living and dining space which opens onto a large deck with panoramic views over the Lotus lake.

The Villa provides a stunning backdrop for your ceremony or choose one of our other unique outdoor ceremony locations onsite. Book our private chef or bring your own and host a delightful dinner on the villa's stunning deck.

Offering complete privacy and isolation your guests will feel honoured to be chosen as one of your few and as though they've been whisked away to another world.
